SESSION 2021

H.B. 899
May 5, 2021
HOUSE PRINCIPAL CLERK

HOUSE BILL DRH10442-MMa-82A

Short Title: North Carolina Work and Save.

(Public)

Sponsors: Representative Hardister.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO CREATE THE SMALL BUSINESS RETIREMENT SAVINGS PROGRAM AND
3 TO APPROPRIATE FUNDS.

4 Whereas, the General Assembly finds that too many North Carolina citizens have no
5 or inadequate savings for retirement, and an estimated 1.7 million North Carolina working
6 families, including employees, independent contractors, and the self-employed, have no access
7 to an employer-sponsored retirement plan or program or any other easy way to save at work; and

8 Whereas, it is the policy of the State to assist the North Carolina private-sector
9 workforce, including in particular moderate- and lower-income working households, to
10 voluntarily save for retirement, including by facilitating saving in individual retirement accounts
11 (IRAs) as well as by encouraging employers to adopt retirement savings and other retirement
12 plans for employees in the State; and

13 Whereas, more adequate, portable, low-cost, and consumer-protective retirement
14 saving by North Carolina households will enhance their retirement security and ultimately reduce
15 the pressure on State public assistance programs for retirees and other elderly citizens and the
16 potential burden on North Carolina taxpayers to finance such programs; and

17 Whereas, the General Assembly intends to establish a North Carolina Work and Save
18 Program that will use the services of competent and qualified private-sector entities selected by
19 the North Carolina Small Business Retirement Savings Program Board to administer the Program
20 and manage the funds on behalf of the Program participants; and

21 Whereas, the North Carolina 529 College Savings Program has demonstrated the
22 feasibility of a public-private partnership that outsources investment and administration to assist
23 private citizens of the State to save on a voluntary and cost-efficient basis; Now, therefore,
24 The General Assembly of North Carolina enacts:

25 **SECTION 1.** Article 10 of Chapter 143B of the General Statutes is amended by
