21 pyrotechnics otherwise meeting the definition of "consumer fireworks" or "sparkling devices"
22 from the provisions of this Part upon a finding that the type or category of pyrotechnic presents
23 a significant and widespread risk of death, serious bodily injury, or substantial damage to public
24 or private property. Exclusion of any type or category of pyrotechnics pursuant to this section
25 must be evidence-based.

19 the criminal laws of this State.

20 (c) A person whose permit has been suspended or has been issued a civil penalty under
21 this section shall receive a hearing before the Commissioner within 10 days of the decision. If

16 provided the amount of the bond may not be less than one thousand dollars (\$1,000) and may not
17 be more than fifty thousand dollars (\$50,000). The Secretary should periodically review the
18 sufficiency of bonds required of the fireworks retailer and increase the required bond amount if
19 the amount no longer covers the anticipated tax liability of the fireworks retailer and decrease the
20 amount if the Secretary finds that a lower bond amount will protect the State adequately from
21 loss.

22 (b) Letter of Credit. – For purposes of this section, a fireworks retailer may substitute an
23 irrevocable letter of credit for the secured bond required by this section. The letter of credit must
24 be issued by a commercial bank acceptable to the Secretary and available to the State as a
