SENATE BILL DRS35209-LR-51A

Short Title: Healthy Families & Workplaces/Paid Sick Days. (Public)

Sponsors: Senator Robinson (Primary Sponsor).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT PROVIDING FOR HEALTHY FAMILIES AND HEALTHY WORKPLACES BY
3 ENSURING THAT ALL WORKERS HAVE EARNED PAID SICK DAYS TO ADDRESS
4 THEIR OWN HEALTH NEEDS AND THE HEALTH NEEDS OF THEIR FAMILIES.

5 Whereas, nearly every worker in North Carolina is likely to need, during any given
6 year, time off to attend to his or her own illness or that of an immediate family member or for
7 routine medical care; and

8 Whereas, paid sick days have been shown to slow the spread of COVID-19, saving
9 lives and reducing the strain on North Carolina's medical system; and

10 Whereas, paid sick days are a first line of defense in any contagious disease outbreak;
11 and

12 Whereas, many high-contact industries where contagious illnesses are most likely to
13 spread are also those with the lowest paid sick days access rates in North Carolina, including the
14 child care, home- and facility-based senior care, and food and drink sectors; and

15 Whereas, North Carolinians working in low-wage industries are both least likely to
16 have access to paid sick days and least able to afford to take time off for illness without pay; and

17 Whereas, working North Carolinians who are Black and Latino are less likely to have
18 access to employer-provided paid sick days; and

19 Whereas, the lack of paid sick days contributes to workforce attrition and detachment
20 for women; and

21 Whereas, when parents are available to care for their children who become sick, the
22 children's recovery is faster, more serious illnesses are prevented, and the children's overall health
23 is improved; and

24 Whereas, parents who cannot afford to miss work must send children with a
25 contagious illness to child care or school, contributing to the high rate of infections in child care
26 centers and schools; and

27 Whereas, over 62,967 North Carolinians reported physical abuse or sexual assault
28 between July 2017 and June 2018, and there were 1,036 domestic violence-related homicides in
29 North Carolina between 2004 and 2018; and

30 Whereas, victims of domestic violence and sexual assault need time off to care for
31 their health or to seek solutions, such as a restraining order or housing, to avoid or prevent abuse,
32 and are forced to lose days of paid employment; and

33 Whereas, 39% or over 1.3 million private-sector workers in North Carolina are not
34 entitled to any earned paid sick days to care for their own health needs or the health needs of
35 members of their families; and

1 (12) Small business. – An employer who employs 10 or fewer employees during
2 20 or more calendar workweeks in the current or preceding calendar year.

3 (13) Stalking. – As defined in Chapter 14 of the General Statutes.

4 **"§ 95-31.3. Exemptions.**

5 (a) The provisions of this section do not apply to any bona fide volunteers in any
6 organization where an employer-employee relationship does not exist.

7 (b) The provisions of this section do not apply to any person exempted from the Wage
8 and Hour Act under G.S. 95-25.14(a)(2) through (8), 95-25.14(b), 95-25.14(b1), 95-25.14(c),
9 and 95-25.14(e), except that domestic workers are exempted only if they are employed in the
10 place of residence of their employer.

11 **"§ 95-31.4. Accrual of paid sick time.**

12 (a) Except as provided by G.S. 95-31.3, any employee who works in this State and who
13 must be absent from work for the reasons set forth in G.S. 95-31.5(a) shall be entitled to paid
14 sick time.

15 (b) Paid sick time as provided in this section shall begin to accrue at the commencement
16 of employment. Paid sick time shall accrue at the rate of one hour of pay for every 30 hours
17 worked. Paid sick time may be used as accrued or be loaned by the employer at its discretion to
18 the employee in advance of accrual. Unless the employer and employee agree to designate
19 otherwise, for periods of paid sick time that are less than a normal workday, the time shall be
20 counted on an hourly basis or the smallest increment that the employer's payroll system uses to
21 account for absences or use of leave.

22 (c) For employees of small businesses, there shall be a limit of 32 hours of accrued paid
23 sick time in a calendar year. For employees of other employers, there shall be a limit of 56 hours
24 of accrued paid sick time in a calendar year. Accrued paid sick time for employees carries over
25 from year to year but is limited to the aforementioned limits.

26 (d) When there is separation from employment and the employee is rehired within 90
27 days of separation by the same employer, previously accrued paid sick time that had not been
28 used shall be reinstated. The employee shall be entitled to use accrued paid sick time and accrue
29 additional sick time at the recommencement of employment.

30 **"§ 95-31.5. Use of paid sick time.**

31 (a) Paid sick time shall be provided to an employee by an employer for any of the
32 following reasons:

33 (1) To care for the employee's immediate family member who is suffering from a
34 physical or mental illness, injury, or medical condition that requires home
35 care, professional medical diagnosis or care, preventive medical care, or a
36 routine medical appointment, unless the care is covered under federal law.

37 (2) To care for the employee's own physical or mental illness, injury, or medical
38 condition that requires home care, professional medical diagnosis or care,
39 preventive medical care, or a routine medical appointment, unless the care is
40 covered under federal law.

41 (3) Absence necessary due to circumstances resulting from the employee, or a
42 family member of the employee, being a victim of stalking or domestic or
43 sexual violence, if the leave is to allow the employee to obtain for the
44 employee or the family member (i) medical attention needed to recover from
45 physical or psychological injury or disability caused by stalking or domestic
46 or sexual violence, (ii) services from a designated domestic violence agency
47 or other victim services organization, (iii) psychological or other counseling,
48 (iv) relocation, or (v) legal services, including obtaining a restraining order or
49 preparing for, or participating in, any civil or criminal legal proceeding related
50 to the stalking or domestic or sexual violence.

1 (b) An employer may require certification of the qualifying illness, injury, health
2 condition, or violence when a paid sick time period covers more than three consecutive workdays.
3 Any reasonable documentation signed by a health care provider involved in following or treating
4 the illness, injury, or health condition and indicating the need for the amount of sick days taken
5 shall be deemed acceptable certification. Acceptable certification of domestic violence, sexual
6 assault, or stalking may include (i) law enforcement, court, or federal agency records or files, (ii)
7 documentation from a domestic violence or sexual assault program, or (iii) documentation from
8 a religious, medical, or other professional from whom assistance was sought in dealing with the
9 alleged domestic violence, sexual offense, or stalking.

10 (1) The employer shall not require certification from a health care provider
11 employed by the employer. The employer shall not delay the commencement
12 of time taken for purposes of subsection (a) of this section or pay for this
13 period on the basis that the employer has not yet received the certification.
14 Nothing in this section shall be construed to require an employee to provide
15 as certification any information from a health care provider that would be in
16 violation of section 1177 of the Social Security Act or the regulations
17 promulgated pursuant to section 264(c) of the Health Insurance Portability and
18 Accountability Act, 42 U.S.C. § 1320d-2.

19 (2) An employer may not require disclosure of details relating to domestic
20 violence, sexual assault, or stalking or the details of an employee's medical
21 condition as a condition of providing paid sick time under this Article. If an
22 employer possesses health information or information pertaining to domestic
23 violence, sexual assault, or stalking about an employee or employee's
24 immediate family member, such information shall be treated as confidential
25 and not disclosed except to the affected employee or with the permission of
26 the affected employee.

27 (c) When the use of paid sick time is foreseeable, the employee shall make a good-faith
28 effort to provide notice of the need for such time to the employer in advance of the use of the
29 sick time and shall make a reasonable effort to schedule the use of paid sick time in a manner
30 that does not unduly disrupt the operations of the employer.

31 (d) An employer may not require, as a condition of providing paid sick time under this
32 act, that the employee search for or find a replacement worker to cover the hours during which
33 the employee is on paid sick time.

34 (e) Nothing in this section shall be construed as requiring financial or other
35 reimbursement to an employee from an employer upon the employee's termination, resignation,
36 retirement, or other separation from employment for accrued paid sick days that have not been
37 used.

38 (f) Nothing in this section shall be construed to discourage employers from adopting or
39 retaining paid sick time policies more generous than policies that comply with the requirements
40 of this section, and nothing in this section shall be construed to diminish the obligation of an
41 employer to comply with any contract, collective bargaining agreement, or any employment
42 benefit program or plan that provides greater paid sick time leave rights to employees than the
43 rights established under this section.

44 (g) This act provides minimum requirements pertaining to paid sick time and shall not be
45 construed to preempt, limit, or otherwise affect the applicability of any other law, regulation,
46 requirement, policy, agreement, or standard that provides for greater accrual or use by employees
47 of sick time, whether paid or unpaid, or that extends other protections to employees.

48 (h) Employers who have a paid time-off leave policy shall not be required to modify that
49 policy, if that policy offers an employee the option, at the employee's discretion, to take paid sick
50 time that is at least equivalent to the amounts and for the same purposes and under the same
51 conditions as provided under this section.

1 **"§ 95-31.6. Notification, posting, and records.**

2 Employers shall give notice (i) that employees are entitled to paid sick time, (ii) of the amount
3 of paid sick time and the terms of its use guaranteed under this section, (iii) that retaliation against
4 employees who request or use paid sick time is prohibited, and (iv) that each employee has the
5 right to file a complaint with the Commissioner of Labor or in the General Court of Justice if
6 paid sick time as required by this Article is denied by the employer or the employee is retaliated
7 against for requesting or taking paid sick time. Employers may comply with this section by
8 supplying each of their employees with a notice in English and in Spanish that contains the
9 information required by this section or by displaying a poster in a conspicuous and accessible
10 place in each establishment where the employees are employed that contains in English and in
11 Spanish all information required by this section.

12 **"§ 95-31.7. Enforcement.**

13 (a) The Commissioner shall enforce and administer the provisions of this Article, and the
14 Commissioner or his or her authorized representative is empowered to hold hearings and to
15 institute civil proceedings hereunder.

16 (b) The Commissioner or the Commissioner's authorized representative shall have power
17 to administer oaths and examine witnesses, issue subpoenas, compel the attendance of witnesses
18 and the production of papers, books, accounts, records, payrolls, and documents, and take
19 depositions and affidavits in any proceeding hereunder.

20 (c) Any employer who violates the provisions of this Article shall be liable to the
21 employee or employees affected in the amount of their unpaid sick time as the case may be, plus
22 interest at the legal rate set forth in G.S. 24-1 from the date each amount first came due.

23 (d) In addition to the amounts awarded pursuant to subsection (c) of this section, the court
24 shall award liquidated damages in an amount equal to the amount found to be due as provided in
25 subsection (c) of this section, provided that if the employer shows to the satisfaction of the court
26 that the act or omission constituting the violation was in good faith and that the employer had
27 reasonable grounds for believing that the act or omission was not a violation of this Article, the
28 court may, in its discretion, award no liquidated damages or may award any amount of liquidated
29 damages not exceeding the amount found due as provided in subsection (c) of this section.

30 (e) Action to recover such liability may be maintained in the General Court of Justice by
31 any one or more employees.

32 (f) The court, in any action brought under this Article, may, in addition to any judgment
33 awarded to the plaintiff, order costs and fees of the action and reasonable attorneys' fees to be
34 paid by the defendant. The court may order costs and fees of the action and reasonable attorneys'
35 fees to be paid by the plaintiff if the court determines that the action was frivolous.

36 (g) The Commissioner may determine and supervise the payment of the amounts due
37 under this section, including interest at the legal rate set forth in G.S. 24-1 from the date each
38 amount first came due, and the agreement to accept such amounts by the employee shall
39 constitute a waiver of the employee's right to bring an action under subsection (e) of this section.

40 (h) Actions under this Article must be brought within two years pursuant to G.S. 1-53.

41 (i) The rights and remedies created by this Article are supplementary to all existing
42 common-law and statutory rights and remedies.

43 **"§ 95-31.8. Rules.**

44 The Commissioner of Labor shall adopt rules to implement this Article.

45 **"§ 95-31.9. Severability.**

46 The provisions of this Article shall be severable, and if any phrase, clause, sentence, or
47 provision is declared to be invalid or is preempted by federal law or regulation, the validity of
48 the remainder of this Article shall not be affected thereby."

49 **SECTION 2.** G.S. 95-241(a) reads as rewritten:

50 "(a) No person shall discriminate or take any retaliatory action against an employee
51 because the employee in good faith does or threatens to do any of the following:
