50 Notification.

1 ~~(d)~~(l) Procedure if a Notified Party Transfers to Another Agency. – If the Division transfers
2 to another agency the certification of any person required to report to the Division pursuant to
3 subsection ~~(a)~~(b) of this section, the Division shall provide written notification to both the head
4 of the new agency and the elected district attorney in the prosecutorial district where the agency
5 is located that the person has been previously notified that the person may not be called to testify
6 at trial. If the new agency receiving notification pursuant to this subsection is a State agency, the
7 Division shall notify the elected district attorney in every prosecutorial district of the State.

8 ~~(e)~~(m) Removal of a Notification by the Party Who Issued the Notification. – The Notifying
9 Authority who has issued a Notification may, upon receipt of additional supporting or

19 whose Notification is reported to the Division may, one year after the Division is notified, petition
20 the Division to be exempt from the Division's reporting requirements identified in subsection (l)
21 of this section by serving upon the Division a Notice of Petition jointly developed by the North
22 Carolina Criminal Justice Education and Training Standards Commission and the North Carolina
23 Education and Training Standards Commission. A person's petition shall be granted if additional
24 supporting or corroborating information or a change in factual circumstances establishes by a
25 preponderance of the evidence that applicable law would not require that the petitioner's bias,
26 interest, or lack of credibility be disclosed to the defense.

27 ~~(f)~~ No later than March 1 each year, the Commission shall report to the Joint Legislative
28 Oversight Committee on Justice and Public Safety regarding the number of individuals for whom
29 the Division received a report required by subsection (a) of this section during the previous
30 calendar year. The report shall include information for each case on whether a final agency
31 decision has been entered pursuant to Chapter 150B of the General Statutes and what action, if
32 any, has been taken against each certification. The report shall not include the name or any other
33 identifying information of any person required to report pursuant to subsection (a) of this section.

34 ~~(g)~~(o) Notifications and Related Reports Not Public Record. – The reports and notifications
35 received by the Division-Division, a person, or the person's agency head pursuant to this section
36 shall not be public record.

37 ~~(h)~~ Any person who has received a notification that may meet the reporting requirement
38 provided in subsection (a) of this section may apply for a hearing in superior court for a judicial
39 determination of whether or not the person received a notification that the person may not be
40 called to testify at trial based on bias, interest, or lack of credibility. This hearing is limited to
41 reviewing whether (i) a person who is certified by the Commission or has received a conditional
42 offer of employment, (ii) has been notified in writing by a superior court judge, district court
43 judge, federal judge, district attorney, assistant district attorney, United States attorney, or
44 assistant United States attorney; or notified in open court by a superior court judge, district court
45 judge, or federal judge, and documented in a written order, and (iii) that notification states that
46 the person may not be called to testify at trial based on bias, interest, or lack of credibility, not
47 matters of law or admissibility. The person must provide notice of the hearing to the Division.
48 One extension of 15 days will be added to the 30 day reporting requirement provided in
49 subsection (a) of this section if notice of a hearing is received.

1 (p) Constitutional Obligations of Prosecutors and Judges. – Nothing in this section shall
2 be construed to limit the constitutional obligations of prosecutors or judges to make disclosures
3 relating to a person's bias, interest, or credibility to criminal defendants.

4 (q) Employer Use of a Notification. – An employer may not use a Disclosure Notification
5 as the sole reason for taking or denying any of the following employment actions against any
6 person:

7 (1) Demotion.

8 (2) Suspension.

9 (3) Termination.

10 (4) Any other disciplinary action.

11 Employers are not to be restricted in using the underlying facts that were the basis for the

18 agency decision has been entered pursuant to Chapter 150B of the General Statutes and what action,
19 if any, has been taken against each certification. The report shall not include the name or any other
20 identifying information of any person required to report pursuant to subsection (b) of this section."
